Date Installation Completed: _____

Customer's Signature: _____ **Date:** _____

Customer's Name (Please Print): _____

By signing, the customer acknowledges having read and understood the terms and conditions of Atmos Energy's High-Efficiency Rebate Program. The customer certifies that all the information provided is true and correct and that the products for which the customer is requesting a rebate meet the requirements of the program.

TERMS AND CONDITIONS

Program provided by Atmos Energy Corporation and administered by Energy Federation Incorporated (EFI) for Atmos Energy. Rebate payments will be issued by EFI after all appropriate documentation has been received. Valid for eligible equipment purchased and installed between 9/1/07 and 8/31/08 or while funds last. This rebate is offered to Atmos Energy's Missouri customers who are served under either Atmos Energy's Residential Firm Service Rate or Atmos Energy's Small General Service Rate. Funding for this program is limited; eligible rebate applications will be processed as long as funds are available. Atmos Energy offers this program in cooperation with the Missouri Public Service Commission. Atmos Energy reserves the right to conduct field inspections to verify equipment installations. Atmos Energy does not guarantee the performance of the installed equipment either expressly or implicitly.
