SHARE THE WARMTH; CHECK THE BOX!

Did you know that...

- For each family receiving energy assistance this year, three more who are eligible won't receive the help they need and will be at risk of being shut off.
- Last year, about 20,000 donors helped approximately 121,000 low-income families pay their home energy bills through Energy Outreach Colorado.
- Energy Outreach Colorado provides funding for energy assistance through its Charitable Energy Network of 95 nonprofit agencies throughout Colorado and through the state-administered Low Income Energy Assistance Program (LEAP).

Here's what to look for on the back of your energy bill.
