

You'll find the latest Energy Star® high-efficiency heating equipment at many dealers in the communities served by Atmos Energy. Be sure to ask the dealer to certify that the equipment you select qualifies for our rebate under Atmos Energy's Missouri Energy Conservation and Efficiency Program. Go to www.atmosenergy.com/Missouri_ECE.

Atmos Energy's Missouri Energy Conservation and Efficiency Program is offered in conjunction with the Missouri Public Service Commission. Specific terms and conditions apply, and rebates under the program are available only while funds last. The dealers listed have indicated that they install ENERGY STAR equipment; however, Atmos Energy has no affiliation with any of these dealers and does not recommend or warrant any dealer listed. Be sure to check the credentials and references of the dealer you choose. Atmos Energy does not guarantee the performance of the installed equipment either expressly or implicitly. Please consult our Web site or call toll-free 1-877-333-9965 for information.
