

Install a Programmable Thermostat and Save Money

A programmable thermostat lets you choose specific temperatures and times of day for your furnace or air conditioner to run.

The following programmable thermostats are eligible for a \$25 rebate to Atmos Energy customers in Mississippi.

Most models of the following brands are eligible for the rebate.

Allure
Aprilaire
Bryant/Carrier
ecobee
Emerson
Honeywell
Ingersoll-Rand

Trane and American Standard
Iris
Lennox
LockState
Morrison
Nest
Venstar

Note: Used or rebuilt equipment does not qualify for rebates.
Only new smart thermostat products are eligible.
Atmos Energy provides this list as a courtesy to its customers.
The list of product can change without notice.
