

# Commercial & Industrial Heating Equipment Rebate Application

## Qualifications

The qualifying equipment must be installed in a Mississippi business served with natural gas from Atmos Energy and must meet the following efficiencies.

Natural gas forced-air furnaces	90 to 94.9% AFUE	\$500
Natural gas forced-air furnaces	95% AFUE or higher	\$600
Programmable thermostat	Multiple schedule/setback	\$25
Smart thermostat	WiFi enabled*	\$100

Rebate offer applies only to new natural gas furnaces. Atmos Energy uses AHRI (Air Conditioning, Heating & Refrigeration Institute) listings to determine the efficiency of the equipment.

To verify the efficiency of your gas furnace, please visit [www.ahridirectory.org/ahridirectory/pages/home.aspx](http://www.ahridirectory.org/ahridirectory/pages/home.aspx).

Dealer/installer is not eligible to receive customer rebate.

\*See qualifying list on [atmosenergy.com](http://atmosenergy.com).

## Application Requirements

Application must be completely filled out with Atmos Energy customer information, equipment information (including brand, complete model number, serial number, installation date and AFUE rating) and dealer/installer information. Atmos Energy is unable to accept applications that do not include all of this information. A copy of the dated invoice or sales receipt must accompany the completed rebate application. It is the responsibility of the dealer and Atmos customer to ensure that the installed equipment qualifies for the rebate. If it does not qualify, no rebate will be paid.

Atmos Energy reserves the right to inspect the installed equipment.

Rebate qualifications and amounts are subject to change. The rebate application form must be submitted within 30 days of installation. To avoid delays in rebate processing, please submit your completed paperwork as soon as equipment installation is complete. Rebates are awarded on a first-come, first-served basis until funds are depleted. Program funds are anticipated to be available annually. Please check program website for updates.

## Rebate Details

Atmos Energy issues cash rebates in the form of checks, not utility bill credits. Atmos Energy is not responsible if the dealer does not provide accurate information about the amount of rebate or equipment eligibility. Rebate checks will be mailed within 4-8 weeks. Program funds are limited and are paid on a first-come, first-served basis while funds are available.

## Application Checklist

- Dated sales invoice (must include furnace model number and cost)
- Atmos Energy customer signature
- Dealer/installer signature (If dealer/installer is a participating SmartChoice trade ally)
- Atmos Energy account number
