Important Requirements

- Complete this form, providing all required information.
 - Attach a copy of the dated sales invoice with pricing and proof of installation.
 - All qualifying equipment must be fully installed and operational. Applies to new equipment only. Installation is subject to inspection by CLEARresult.
 - All required information must be submitted before rebate can be paid.
 - Qualifying equipment must use natural gas provided by Atmos Energy of Mississippi for a commercial account.
 - Qualified commercial natural gas food service equipment eligibility
 - Equipment must be listed on one of the following accredited websites:
 - ENERGY STAR® EnergyStar.gov/cfs
 - Food Service Technology Center (FSTC) Fishnick.com/saveenergy/rebates
 - Only new equipment is eligible for rebate (no refurbished equipment)
 - New construction and replacement equipment installations are eligible
 - The rebate application form must be submitted within 30 days of installation. To avoid delays in rebate processing, please submit your completed paperwork as soon as equipment installation is complete. Rebates are awarded on a first-come, first-served basis while funds are available. Please check program website for updates.
 - For more information, visit www.atmosenergy.com/SmartChoiceMS
- Rebate checks will be issued to the name listed on the Atmos Energy account. Rebate checks will be mailed within 4-8 weeks. Program funds are limited and are paid on a first-come, first-served basis while funds are available.

Mail, fax or email completed paperwork to:

CLEARresult
 PO Box 320909
 Flowood, MS 39232
