# Residential Water Heater Equipment Rebate Application

## Qualifications

The qualifying equipment must be installed in a Mississippi home served with natural gas from Atmos Energy and must meet the following efficiencies or requirements.

Storage tank water heater	.67 EF or higher	\$100
Tankless water heater	.80 EF or higher	\$250
Condensing tank type water heater	90% Thermal Efficiency (TE) or higher	\$100

Atmos Energy uses AHRI (Air Conditioning, Heating & Refrigeration Institute) listings to determine the efficiency of the equipment. Rebate offer applies only to new natural gas water heaters. Dealers/Plumbers are not eligible to receive customer rebate. Equipment installed under warranty replacement does not qualify for the rebate.

## Application Requirements

Application must be completely filled out with purchaser information, equipment information (including brand, complete model number, serial number, installation date and Energy Factor) and installer information. Atmos Energy is unable to accept applications that do not include all this information. A copy of the dated invoice or sales receipt must accompany completed rebate application and must include the following information: brand and complete model number. It is the responsibility of the Atmos customer to ensure that the installed equipment qualifies for the rebate. If it does not qualify, no rebate will be paid. Atmos Energy reserves the right to inspect the installed equipment.

The rebate application form must be submitted within 30 days of the purchase date. To avoid delays in rebate processing, please submit your completed paperwork as soon as equipment installation is complete. Rebates are awarded on a first-come, first-served basis until funds are depleted. Please check the program website for updates. Rebate qualifications and amounts are subject to change.

## Rebate Details

Atmos Energy issues cash rebates in the form of checks, not utility bill credits. Atmos Energy is not responsible if the installer does not provide accurate information about the amount of rebate or equipment eligibility. Rebate checks will be mailed within 4-8 weeks. Program funds are limited and are paid on a first-come, first-served basis while funds are available.

## Application Checklist

- Dated sales invoice (must include water heater number and cost)
- Atmos Energy customer signature
- Dealer/plumber or installer signature (Only required if dealer/plumber or installer is a participating Atmos Energy Smart Choice participating contractor)
- Atmos Energy account number
