

PRICING SCHEDULE:	NATURAL GAS VEHICLE FUEL TRANSPORTATION SERVICE	
APPLICABLE TO:	Entire System	
EFFECTIVE DATE:	11/01/2014	PAGE:

Application

Applicable to MID-TEX’s entire system. This service is available to retail fueling stations and private fleet stations where the use of the gas delivered is for fueling natural gas motor vehicles (“NGVs”).

The charges for service provided pursuant to this Pricing Schedule represent MID-TEX’S standard offer for NGV Fuel Transportation Service and may be subject to change from time to time.

Type of Service

NGV Fuel Transportation Service is not a “gas utility” service as that term is defined under Tex. Util. Code §§ 101.003(7) and 121.006.

Where service of the type desired by Customer is not already available at the Point of Delivery, additional charges and special contract arrangements between MID-TEX and Customer may be required prior to service being furnished.

Service under this Pricing Schedule may be separately supplied to a NGV Customer who is also supplied natural gas for non-vehicular uses under one or more other gas rates at the same premises, provided that each supply shall be separate and distinct with respect to delivery, metering and billing.

Service under this Pricing Schedule requires a Transportation Agreement-Distribution (NGV Transportation Agreement), between MID-TEX and the Customer.

Monthly Pricing

Bills shall be rendered and paid monthly. Customers receiving NGV Fuel Transportation Service under this Pricing Schedule will receive a monthly bill that includes the following Customer and MMBtu charges:

Charge	Amount
Customer Charge per Meter	\$ 35.00 per month
All MMBtu delivered at the Delivery Point	\$ 1.25 per MMBtu

In addition to the Customer and MMBtu charges identified above or as may be mutually agreed upon from time to time, the Customer’s monthly bill will include amounts due under the riders listed below:

- (a) Rider RA: Plus an amount for retention calculated in accordance with Rider RA;
- (b) Franchise Fee Adjustment: Plus an amount for franchise fees calculated in accordance with Rider FF. Franchise Fees are to be assessed solely to customers within municipal limits. This does not apply to Environs Customers.
- (c) Tax Adjustment: Plus an amount for tax calculated in accordance with Rider TAX.

For the purposes of the riders listed above, Customer will be deemed to receive service under Rate – T

Curtailment and Curtailment Overpull Fee

NGV Fuel Transportation Service will be deemed equivalent to commercial service for curtailment purposes. Curtailment of Customer’s deliveries, if any, will be in accordance with the MID-TEX’s Curtailment Program as authorized by an appropriate regulatory body and the terms and conditions of the Transportation Agreement between MID-TEX and Customer. Upon notification by MID-TEX of an event of curtailment or interruption of Customer’s deliveries, Customer will, for each MMBtu delivered in excess of the stated level of curtailment or interruption, pay MID-TEX 200% of the midpoint price for the Katy point listed in *Platts Gas Daily* published for the applicable Gas Day in the table entitled “Daily Price Survey.”

Imbalance Fees

All fees charged to Customer under this Pricing Schedule will be charged based on the quantities determined under the Transportation Agreement and quantities will not be aggregated for any Customer with multiple Transportation Agreements for the purposes of such fees.

Monthly Imbalance Fees

Customer shall pay MID-TEX the greater of (i) \$0.10 per MMBtu, or (ii) 150% of the difference per MMBtu between the highest and lowest “midpoint” price for the Katy point listed in *Platts Gas Daily* in the table entitled “Daily Price Survey” during such month, for each MMBtu of Customer’s monthly Cumulative Imbalance, as defined in the Transportation Agreement, at the end of each month that exceeds 10% of the quantities delivered by MID-TEX’s for Customer at the Delivery Point during the month.

Replacement Index

In the event the “midpoint” or “common” price for the Katy point listed in *Platts Gas Daily* in the table entitled “Daily Price Survey” is no longer published, MID-TEX will calculate the applicable imbalance fees utilizing a daily price index recognized as authoritative by the natural gas industry and most closely approximating the applicable index.

Licenses/Permits

Customer must obtain and maintain, at its expense, any necessary certificates, permits, licenses and other governmental approvals necessary to operate a private or public fueling station, and will be liable for all taxes levied.

MID-TEX reserves the right to refuse to serve any prospective or current NGV Customer whose fueling equipment or facilities are found by MID-TEX, in its sole discretion, to be unsafe, likely to malfunction, or in violation of this Pricing Schedule.

Special Conditions

In order to receive NGV Fuel Transportation Service, Customer must have the type of meter required by MID-TEX. Customer may be required to pay MID-TEX all costs associated with the acquisition and installation of the meter.
