**Traffic Alert: Atmos Energy Upgrades Natural Gas Pipelines on  
20<sup>th</sup> Street in Greeley**

*Residents Can Expect Traffic Detours Through Summer*

**GREELEY, Colo.** (June 01, 2018) – Atmos Energy is asking residents who typically travel along 20<sup>th</sup> Street between 23<sup>rd</sup> and 35<sup>th</sup> Avenue in Greeley, Colorado, to please be on the lookout for traffic detours beginning Monday, June 04, 2018 through August, 2018.

“We want to thank the community for your patience as we continue to make great progress on our natural gas pipe replacement projects throughout Greeley,” said Kurtis Paradisa, Atmos Energy Public Affairs Specialist. “Over the next three months you will see increased activity along 20<sup>th</sup> Street as we upgrade a high-pressure natural gas line to better serve our customers.”

In addition to this traffic advisory, Atmos Energy crews will place a door tag at your home before work begins on your block. If you have any questions please visit: [atmosenergy.com/greeley](http://atmosenergy.com/greeley) or call 1-888-286-6700.

**About Atmos Energy**

Atmos Energy Corporation, headquartered in Dallas, is the country's largest, fully-regulated, natural-gas-only distributor, serving more than 3 million natural gas distribution customers in over 1,400 communities in eight states. Atmos Energy also manages company-owned natural gas pipeline and storage assets, including one of the largest intrastate natural gas pipeline systems in Texas. For more information, visit [www.atmosenergy.com](http://www.atmosenergy.com). Atmos Energy can also be accessed through social media platforms such as [Facebook](#), [Twitter](#), [Instagram](#), and [YouTube](#).
