

NOTICE OF APPLICATION BY ATMOS ENERGY CORPORATION TO ISSUE, RENEW,  
EXTEND, ASSUME OR GUARANTEE A SECURITY

Atmos Energy Corporation  
1555 Blake Street, Suite 400  
Denver, Colorado 80202

You are hereby notified that Atmos Energy Corporation (“Atmos Energy” or the “Company”) has filed with the Colorado Public Utilities Commission (“Commission”) an application for an order approving the implementation of a \$4,000,000,000 universal shelf registration (“the Shelf”) for senior debt securities and/or common stock. The Shelf would allow Atmos Energy to offer, from time to time, senior debt securities and shares of its common stock, without par value, at prices and terms to be determined at the time of sale. The securities may be issued in one or more series of issuances. Atmos Energy may sell the securities through underwriters, dealers or agents or directly to one or more purchasers.

The application is available for examination at the Company’s business office located at 1555 Blake Street, Suite 400, Denver, Colorado, 80202 and at the Commission at 1560 Broadway, Suite 250, Denver, Colorado 80202.

Anyone who desires may file written comments or objections with the Commission. The Commission’s mailing address is 1560 Broadway, Suite 250, Denver, Colorado, 80202 and their e-mail address is [dora\\_puc\\_complaints@state.co.us](mailto:dora_puc_complaints@state.co.us). The Commission will consider all written comments and objections submitted prior to the evidentiary hearing on the filings. The filing of a written objection by itself will not allow you to participate as a party in any proceeding on the proposed action. If you wish to participate as a party in this matter, you must file an intervention in accordance with Rule 1401 of the Commission’s Rules of Practice and Procedure or any applicable Commission order.

The Commission may hold a public hearing in addition to an evidentiary hearing on the application and if such a hearing is held members of the public may attend and make statements even if they did not file comments, objections, or an intervention. If the application is uncontested or unopposed, the Commission may determine the matter without a hearing and without further notice.

Anyone desiring information regarding if and when a hearing may be held shall submit a written request to the Commission or contact the External Affairs section of the Commission at its local number of (303) 894-2070 or toll-free number (800) 456-0858.
